

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
REGION III  
1650 Arch Street  
Philadelphia, Pennsylvania 19103-2029

The United States Environmental Protection Agency (USEPA) has collected and analyzed drinking water samples from your residence located at

The purpose of the tests was to determine whether your drinking water could post a threat to your health. The enclosed package provides results for the drinking water samples collected at your residence. Also enclosed you will find information on how to read the results along with fact sheets on some of the analytes sampled. A representative from EPA will be contacting you to schedule an appointment to meet with you regarding your results if you desire. Please review your results prior to this appointment so that we can answer any questions you may have.

Families with individual health questions about your data are welcome to contact the Agency for Toxic Substances and Disease Registry (ATSDR). Lora Werner of ATSDR can be reached at 215-814-3141 or via email at [lkw9@cdc.gov](mailto:lkw9@cdc.gov). Additional information regarding this site can be found at [www.epa.gov/arweb](http://www.epa.gov/arweb) or [www.epaossc.org/dimock](http://www.epaossc.org/dimock).
